Three years have passed since General Prem Tinsulanonda first teed off from Tee #1 to mark the grand opening of Pinehurst Golf & Country Club on the June 25, 1988.

During the course of time, Pinehurst Golf & Country Club has come to the fore, being recognised as one of the most favourable and most complete golf course and member club in metropolitan Bangkok and nearby provinces. Its membership is regarded as a social prestige, an enviable symbol of wealth and gracious living.

Inaugurated today is the much-awaited PINEHURST LODGE, the second phase of the overall project which aims at providing deluxe accommodation for golfers, weekenders and their families. Developed along a resort hotel concept, the Lodge, together with the Golf Course and the Clubhouse, ideally represents an all-inclusive holiday destination on the outskirts of Bangkok.

## PINEHURST LODGE

I am very happy to note the final completion of Pinehurst Lodge. I could still remember the religious rites at the foundation stone-laying ceremony on October 12, 1989, 1 1/2 years ago.

With the completion of the Pinehurst Lodge, Pinehurst Golf and Country Club can proudly claim to have the best and finest facilities that an international golf and country resort can have. Not only is its 27-hole golf course the best maintained in the country -- its 75 lodge guest rooms are also the most luxurious one can find in Thailand.

I am also proud that the Johnnie Walker Classic has selected Pinehurst to be the venue for the 1992 International Golf Masters. I was told that the 1991 USGA Masters Champion Welshman Ian Woosam will be coming to Thailand to play in Pinehurst. Perhaps our Thai golfers can give it a run for their money.

Once again, my sincere congratulations to Pinehurst Golf and Country Club on the occasion of its third anniversary and I am honored to be given the privilege to declare officially the opening of the Pinehurst Lodge.

I would like to thank the board members, and on their behalf, thank the Pinehurst management team and all the valuable members for their staunch support for the past three years.

My best wishes for the club and the lodge and Happy Golfing to all of you.

General Chavalit Yongchayudh  
Chairman  
Board of Governors  
Pinehurst Golf and Country Club

My heartiest congratulations to Pinehurst Golf and Country Club on the occasion of its third anniversary as well as the grand opening of the luxurious 75-room Pinehurst Lodge on 23rd June 1991.

With the opening of the Lodge, golfers can bring families along for a complete weekend enjoyment. Even executives can have their board meetings cum golfing pleasure at Pinehurst.

Once again, my best wishes to Pinehurst for providing excellent golfing pleasure to all members.

General Suchinda Kraprayoon  
Deputy Chairman  
Board of Governors  
Pinehurst Golf and Country Club

My heartiest congratulations to Pinehurst Golf and Country Club on the occasion of its third anniversary as well as the grand opening of the luxurious 75-room Pinehurst Lodge on 23rd June 1991.

With the opening of the Lodge, golfers can bring families along for a complete weekend enjoyment. Even executives can have their board meetings cum golfing pleasure at Pinehurst.

Once again, my best wishes to Pinehurst for providing excellent golfing pleasure to all members.

## PRIME LOCATION

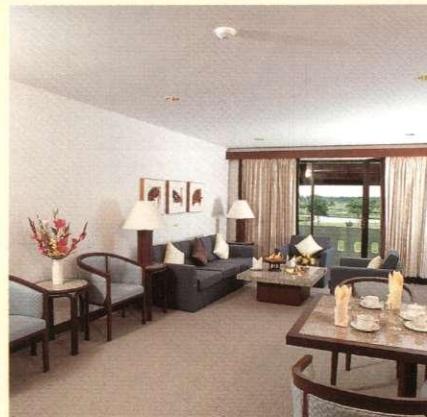

One factor that contributes to Pinehurst's popularity is its convenient location. Arriving guests from the airport can reach Pinehurst within a few minutes due to its location just 10 kilometres north of Bangkok International Airport. Instead of encountering city traffic only to check-in at a downtown hotel tired and spent, foreign executives can freshen up in the Clubhouse or indulge one's self in a game of golf before going through business as usual.

The fact that Pinehurst is situated in the industrial town of Pathum Thani makes it a perfect getaway for both foreign expatriates and local entrepreneurs. There, just a short distance from the office, golfers can enjoy the fresh air, the soothing greens and the openness as inviting alternatives of dull working environments.

Pinehurst Gulf and Country Club

# EXCLUSIVE RESORT HOTEL FOR FRIENDS AND FAMILIES

PINEHURST LODGE is the architectural creation of Robert G. Boughey and Associates Co., Ltd. Adjacent to the Club House, the splendid white building stands out on an expanse of land, accentuated by mult-tiered terracotta roofs, oak windows and door frames. The simple yet elegant design presents a perfect blend of modern and traditional Thai architecture.

The 150-million-baht hotel occupies some 300 rai, whereas the remaining 900 is devoted to the Golf Course and the Clubhouse. A facade of the hotel fronts the golf course while the other faces the lakes.

PINEHURST LODGE offers 75 well-appointed rooms which include two luxury Pinehurst suites for V.I.P.s, three junior suites and 70 standard rooms. Each room has a private balcony commanding a picturesque view of the golf course, the inviting fairways, rolling terrain, crystal-clear lakes, trees and shrubbery.

At PINEHURST LODGE, guests find more space to unwind. The size of the standard room is 30 per cent larger than a normal hotel room. Beauty, function and comfort are the overall theme emphasised throughout.

The interior decor harmoniously blends with the modern Thai style exterior. Every room is tastefully furnished with woodwork and Thai silk upholstery of excellent craftsmanship.

Each room is complemented with modern comforts ranging from American Standard's latest bathroom fixtures, super quiet air-conditioning system with individual temperature control, direct lines for local and overseas calls, to audio and television systems with remote control.

# UNSURPASSED FACILITIES ENSURE A PLEASANT STAY

Pinehurst is an ideal choice either for pure relaxation or for pleasure-cum-business. Beside the exclusive 27-hole championship golf course, Pinehurst offers a full range of services and well-maintained, top-quality facilities for both recreational and business purposes.

The luxury Clubhouse caters golfers and families with sumptuous international cuisines. THE LOBBY LOUNGE on the ground floor features THE 19TH HOLE where guests can have breakfasts, snacks and soft drinks against peaceful scenery.

Guests can dine and wine in style at THE FOREST, the main dining room on the upper floor where Chinese and western specialities are served. Alternatively, they can relax by the FAIRWAY BAR enjoying the beautiful sunset with a long soothing drink.

Corporate top echelons will be impressed by the Clubhouse's complete range of services and facilities for business transactions. Reach an agreement in congenial atmosphere at the BERMUDA or the GOVERNOR rooms (V.I.P. function rooms available upon reservation) or conclude a deal during a grand banquet in the MEADOW ROOM.

Six more function rooms are also available for receptions and conferences including the PINE ROOM where guests can enjoy luncheon with light music. Executives will also find the BUSINESS CENTRE extremely handy with efficient secretarial services provided.

Family members, meanwhile, can sweat out in the tennis courts and/or shape up in the fitness gym. Keep cool with a splash in the spacious swimming pool or with soft drinks and snacks served at the POOLSIDE VERANDAH.

Apart from men's and ladies' locker rooms and six changing rooms, the Clubhouse houses the PRO-SHOP where golf and sports accessories are found. Basement MASSAGE SUITE offers traditional Thai massage to soothe those strained nerves and aching muscles.

A library is packed with newspapers, magazines and paperbacks for guests to read in a quiet, relaxing atmosphere, to round out the seemingly endless list of facilities. Limousine service to airport and downtown hotels is also a plus, allowing guests to sit back, relax and reach their destination safe and sound.

Hotel guests are bestowed the privilege of teeing off on weekdays at the 27-hole championship Pinehurst Golf Course. Test one's golfing skills while enjoying the different sceneries of three uniquely designed courses.

The north course or 'THE LAKE' mostly comprises such water hazards as pools and lakes. Here lies the famous N-8 hole which is over 629 yards long, the longest par 5 hole in Thailand. It is sure to test golfer's driving ability as he needs to carry a tee-shot over the lake and place the second shot in a position to play regulation golf and make par.

The West Course or 'THE FOREST' is landscaped with tropical trees and scrubs which provides golfer with varying scenery. The W-4 240 yards par 3 hole which requires an accurate tee shot to conquer the mounds, bunkers and palms is situated near the elevated 2 tier green to achieve par.

The South course of 'THE MEADOW' is composed of more undulating meadows and mounds, reminiscent of Scottish courses in Scotland, home of golf.

Come 1992, the Johnnie Walker Asian Classic moves to Thailand. In line with Johnnie

Walker's international strategy of creating a tournament which will become Asia's premier golf event, the prize money will be approximately 25 million baht. This premier event, not surprisingly, will be held at Pinehurst, and Johnnie Walker is delighted to have secured Pinehurst as the venue for next year's Classic. The decision to hold the event there can only add to the prestige of the tournament, further enhance its reputation as Asia's premier golf event, and strengthen Pinehurst's reputation as one of the top quality golf courses in Asia.

Pinehurst - the choice of the avid golfer.

## GOLFING IS THE ULTIMATE LEISURE PURSUIT AT PINEHURST

With Best Wishes
